MEMORANDUM FOR: Chief, SRS/DPD

SUBJECT: NSA Request for Airborne DF

25X1A

25X1A

25X1A

1. The subject request was discussed this date with [redacted] and the undersigned. Telephone conversation with [redacted] NSA, indicated that even if the present ground stations met requirements (and indications now are that it will not), NSA has a valid requirement for airborne DF.

25X1A

2. Prior to submitting correspondence to higher authority, Developments Branch will investigate the feasibility and obtain a cost estimate.

3. It was determined that the equipment presently contemplated at [redacted] would not meet the requirements, nor would any purpose be served by returning same to Headquarters.

4. Suspense date for above action is 8 June 1960.
